BOOK SYNOPSIS

For the late psychic Edgar Cayce, the aura provided a pictorial representation of an individual's health, thoughts, talents, and life potentials as well as karmic lessons and even past lives. In a very real sense, the aura functions as a barometer of the whole self—body, mind, and spirit. Psychic Carol Ann Liaros and Cayce expert Kevin J. Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well-documented readings of Edgar Cayce. Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now.
