BOOK SYNOPSIS

Packed with sample speeches illustrating what to do as well as plenty of examples detailing what not to do, this value-priced public speaking text equips students with the essential skills and theories needed to become an effective public speaker. **ESSENTIALS OF PUBLIC SPEAKING** emphasizes critical thinking as it delivers abundant practical advice, intriguing discussions on the role of ethics in public speaking, and up-to-date coverage on effectively using technology in speech development and delivery. The sixth edition features a new streamlined organization, a revised initial chapter that gets students speaking right away with 11 types of introductory speeches, and two new chapters (one on ethics and technology in public speaking and another on team presentations).
