BOOK SYNOPSIS

Get the grade you need and prepare for the business world with **CONCISE MANAGERIAL STATISTICS**. Learn Business Statistics without the complicated math. Fully integrating the use of computers with statistics, the textbook describes the concepts and applications of business statistics and gives you an opportunity to observe and actually carry out computer-generated solutions using SPSS, Microsoft Excel, and MINITAB. Plus, this volume comes with access to InfoTrac College Edition! Save time, save money--and eliminate the trek to the library and long waits for reserved readings with this online university library of more than 5,000 academic and popular magazines, newspapers, and journals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
