BOOK SYNOPSIS

Almost 30, Emma Sheridan is desperately in need of a change. After a string of failed relationships, she can admit that no man has ever lived up to her idea of perfection except the Scottish fictional star of romantic fantasies the world over - James Fraser. Her ideal man might be ripped from the pages of a book, but Emma hopes that by selling all her worldly possessions and taking off for Scotland she might be closer to finding him. As she scours the countrys rolling hills and crumbling castles, Emma finds that in searching for her own Jamie Fraser, she might find herself.
