BOOK SYNOPSIS

In the 15 years since the release of *Gender Outlaw*, Kate Bornstein's groundbreaking challenge to gender ideology, transgender narratives have made their way from the margins to the mainstream and back again. Today's transgenders and other sex/gender radicals are writing a drastically new world into being. In *Gender Outlaws*, Bornstein, together with writer, raconteur, and theater artist S. Bear Bergman, collects and contextualizes the work of this generation's trans and genderqueer forward thinkers — new voices from the stage, on the streets, in the workplace, in the bedroom, and on the pages and websites of the world's most respected mainstream news sources. *Gender Outlaws* includes essays, commentary, comic art, and conversations from a diverse group of trans-spectrum people who live and believe in barrier-breaking lives.
