BOOK SYNOPSIS

Why would anyone think Jesus never existed? Isn't it perfectly reasonable to accept that he was a real first century figure? As it turns out, no. NAILED sheds light on ten beloved Christian myths, and, with evidence gathered from historians across the theological spectrum, shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination; a messiah transformed from a purely literary, theological construct into the familiar figure of Jesus in short, a purely mythic Christ.
