## BOOK SYNOPSIS

Carson Kressley has spent the last decade transforming thousands of women and connecting with millions more on Oprah Winfrey, Good Morning America, and countless other national broadcasts. He knows what makes these ladies tick. Whether they live in Tacoma or Tallahassee, there is a common thread among them all: they want to feel beautiful but don't know where to start. They're frustrated by fashion and can't figure out which trends to follow and which to flee. They don't have gobs of money to drop on their wardrobe and feel left out of the game. And when it comes to how they feel about their bodies, all they see are roadblocks...and signs for Burger King! Does This Book Make My Butt Look Big? is a roadmap for the American everywoman to build unshakable body confidence. Nowhere else is there a fun and accessible book created for the underserved masses of American women who just want to get out the door looking and feeling fabulous. These women need to be reminded that fashion is FUN. They need to know that with the right tools, they have the power to transform their self-perception by shifting their mindset from woe-is-me to wow-is-me. They need the secrets of playing to their strengths and minimizing their flaws. They need to take more chances with pattern and color, and leave what doesn't work in the dust. Most of all, they need Carson, their peppy, blond fairy godstylist, to show them the way!
